DXN 107

Water and ice dispenser with a capacity of up to 70 kg

FEATURES

• Compact ice or ice-and-water dispenser with an eye-catching, contemporary “touch-screen" design.
• Ideal for free self-service stations with a capacity of up to 1,200 glasses filled per day and capable of dispensing ice to up to 200 customers in line at the same time.
• Available in both touch-free and push-button versions.
• You can select either ice only or ice and water at the dispenser, as well as the desired ice dispensing duration (from 1" to 15" or continuous).
• A quick and intuitive cleaning process for the end user.
• A comprehensive overview of settings and errors for the preventive maintenance service.
• Accessory: Upon request, it can be installed on a custom-designed piece of furniture.
